

Middle Rogue Steelheaders
Lake & River Trip Consent Form

I _____ (Print Name), am at least eighteen years of age and have prepared myself to participate in lake and river fishing trips with the Middle Rogue Steelheaders, an Oregon Domestic Nonprofit Corporation, by familiarizing myself with the physical demands involved in participating in such projects. I understand that a basic list of *Guidelines for Passengers* is available, for my review, on the MRS website. I certify that I am in good physical condition and am capable of meeting those physical demands.

I understand that lake and river fishing trips can involve risk of death or serious physical injury and I agree to assume all risks. I therefore agree to release, indemnify and hold harmless the Middle Rogue Steelheaders DNPC its officers, trustees, directors, employees and agents, from and against any and all claims, demands, and judgments arising from injuries or damages in connection with my participation in these fishing trips.

I further acknowledge that in case of injury or emergency I have given my consent to be transported via emergency services and to receive medical treatment.

Should any legal action be taken on my part I further agree to repay the Middle Rogue Steelheader for all of their related expenses regardless of the outcome of said action.
